PARENT'S DAY SET FOR MAY 5 DAY'S ACTIVITIES SCHEDULED

Details of the Fifth Annual Parent's Day were revealed following a committee meeting Sunday, attended by faculty, students, and parents.

Parent's Day, May 5, will include a full day's schedule of activities, followed by a special Sunday morning chapel service at which Dr. Tully Knoles will speak.

At the committee meeting, plans were discussed for the Parent's Day activities. At 10 a.m. Saturday, May 5, there will be a gathering in the library for a coffee hour. Parents will be received by members of the directing committee, and coffee will be served by the home economics department.

Members of Spurs, Knolens, and Blue Key, campus honor societies, will conduct tours through the library and the campus. During this morning period, from 10 to 12, all faculty members will be asked to be in their offices so they can meet the parents of students. Morning activities will be climaxed by an out-of-doors luncheon at noon.

Convocation will be held at 1:30 and will feature a program concerning student activities, presented by members of the PSA.

At 2:45 a series of group meetings by different departments will be held all over the campus. Included will be teacher education and fine arts meetings and science demonstrations.

In the later afternoon, the physical education department will put on a program which will include a diving exhibition, modern dance, and spring football practice.

At 8:15 p.m. parents will at-

JAZZ SUBJECT COP TV SHOW

"Jazz at the College of the Pacific," written and produced for television by Jim Crockett, appeared over KBET, channel 10, on "Valley Showcase" on Wednesday, March 21st, at 5 p.m.

The program consisted of a discussion of the place of jazz music and the jazz musician in a college situation, how it has developed, and how students are able to spend time in working out and perfecting their own individual ideas in the jazz medium.

The program also showed specifically how talented groups such as the Keynotes and an instrumental group, both under the direction of Mike Montano, have developed into two groups of professional quality through simply spending their spare college moments in doing what they love the most.

Mr. Elliott acted as narrator and Vince Gomez portrayed the part of a high-school senior interested in going to college to study music and jazz.

tend the fourth Pacific Theatre program of the season. Sunday morning service at Morris Chapel will conclude the activities.

The committee urged students to inform their parents early about these events, so that the parents may make plans to attend. A publicity committee has also been set up.

KABUKI DANCERS STOCKTON, APR 7

Part legend, part history, part folklore, part fantasy is one critic's description of the Azuma Kabuki Dancers and Musicians program which will be presented in the Stockton High School auditorium on Saturday evening, April 7.

This appearance, sponsored by the Japanese embassies of foreign affairs and education and Prince Takamatsu, was brought to this country by Sol Hurok.

As the first Kabuki company ever to leave Japan, this is a hand-picked group representing the very best of the Japanese dancers and musicians.

With elaborate costumes, scenery, and properties from Tokyo, the dancers enact stories of supernatural gods and demons, love stories, ancient and colorful ceremonies, and delightful comedies. The orchestra is seated on the stage and provides more than mere accompaniment. Narrating, describing, commenting on the scenes and actions, the group adds a distinctive atmosphere to the production.

Tickets for the Stockton performance, scheduled for an 8:30 curtain, are on sale at Washington Drugs, 58 West Washington Street, and Miracle Music Box office, 2363 Pacific Avenue.

Y Sponsors Dance April 6

An Anderson Y-sponsored dance, titled Town and Country, will be held on April 6. Both folk dancing and regular dancing will be done. Lawton Harris will serve as caller for the folk dances.

The time will be from 9 to 12; the charge is 75c for couples, and 50c per person. Tickets will be on sale at the living groups and at the door. The dance will be held in the gym.

The following people are on the committees for the dance: chairman, Lee Allerdice; refreshments, Mary Cheney; decorations, Jan Mathiesen; publicity, Carol Chappell, Nancy Hane, Marvin Taylor, and David King; tickets, Don Smith, Connie Doyle.

HIGH SOPHS MUST FILE JR STANDING PETITIONS

Petitions for junior standing are to be picked up at the Dean of Men's office between April 2 and April 6.

Applications are to be filled out in cooperation with the student's advisor and filed in Mr. Taylor's office.

Petitions are to be filled out by all "high sophomores," that is those students who will have completed 56 units by the end of the spring semester; 55½ units will be accepted, however. This is the minimum number for junior standing.

At this time the sophomore will select his major, be assigned to a major advisor have his program evaluated to see if his lower division requirements have been met, and his progress checked toward his major.

No new junior may register in advance until he has been approved as a junior.

HONOR COM. STATEMENT REVEALED

For the past two years there has been talk on the Pacific campus of honor systems. The question often arises in discussions as to what is considered dishonesty. In order to clarify this, the student affairs committee has written an honor statement, which was adopted unanimously by the senate as the office policy of the Pacific Student Association. This statement, which will be published in next year's student handbook, is as follows:

"Honesty being the foundation of all good citizenship, the student should maintain a high standard of honor in his scholastic work. He should avoid all forms of scholastic dishonesty, especially the following: cheating on an examination or quiz; giving or receiving, offering or soliciting information; or the use of prohibited, prepared material in an exam or quiz; plagiarism, the appropriation of passages from the writings of another person, and offering these for credit as one's own without giving credit to the original author is also considered to be dishonest."

Central Easter Service Held At Civic Aud

The Stockton civic auditorium will be the setting for Easter Sunday church services, at 11 a.m. on Sunday, April 1st, under the sponsorship of Central Methodist Church of Stockton.

The Reverend George Goodwin, pastor of Central Methodist Church, in announcing the decision to hold services at the Auditorium stated: "Historically, Easter and the message of Easter are not meant to be confined within the walls of a church. It is our feeling that the Easter message should be proclaimed not only to regular church members, but also to those whose daily routine does not involve them in regular church life.

"All who do not have a regular church home are cordially invited to worship together Easter Sunday at the Stockton Civic Auditorium."

Seating on the main floor and balconies of the civic auditorium will accommodate 3300. A 110 voice choir, 20 piece orchestra with Kenneth Loomis at the organ, are all under the direction of Art Holton, and will provide the Easter music.

Baseballers Bounce Back After Losing 5 Beat SF State In Double Header

By FRANK LOWERY

On the 9th of March COP lost its 3rd game of the season to Sacramento State by a score of 7-0.

The Sacramento State nine had seven runs and five hits having only two errors, while the Tigers were shutout on only five hits while fielding three errors. The losing pitcher, Jim Collins, gave up seven of the nine walks which were responsible for most of the runs. A fine relief job was shown, by Hal Barnett, by striking six, only two in six innings but minus COP hitting the harm had been done. The stickmen were first baseman Ed So-wash with two for five, catcher Bob Lee with two for four with the only other hit being had by Junior Reynosa. Sacramento used only two pitchers.

SAN FRANCISCO STATE

Saturday was a sad day for the Bengals, dropping both to San Francisco State. The first game was decided by a twelve to eleven score, and the second game by a six to three score. The first game was decided by a balk by pitcher Wayne Segale, which forced in the winning run from third. Prior to this balk Segale had walked eleven and struck out two. The big man for SFS was Oualtrin, the second baseman, who led both teams with a home run and two singles in four times at bat. COP collected seven hits, while SFS got eleven. The State nine quelled the Tigers' attack.

In the second game it was Del Whittier all the way on the mound for COP, giving up only five hits, while both walking and striking out four men. Once again Tiger field errors, numbering five, gave the pitcher no backing. Bob Sartwell, center fielder, led the losers with two hits in four times at bat. The two SFS pitchers gave up only

three walks while striking out four Tiger batsmen.

COLLEGE OF SEQUOIA 8 PACIFIC 3

This past week-end the Bengals dropped their game to Sequoia with the help of the five costly errors. On the offense the Tigers were led by Don Bossert with 3 for 5 and Jim Reynosa with two for three, but their effort was not enough to carry their team to a win. The losing pitcher was Hal Barnett who pitched a fine game.

TAKE TWO FROM SAN FRANCISCO STATE

COP started on a new winning streak by taking both ends of a double header by scores of 5 to 4, and 7 to 6. Wayne Segale was the winner in the first, and Del Whittier went the distance for the win in the second. Top stickman for the day was "Big Klu" Gutterez with five hits in eight times at bat including a double and triple.

ANTICIPATES WINNING STREAK

Coach "Skip" Rowland is delighted with his team's winning ways and expects the caliber of ball to increase, and is also optimistic as to the fine support given the team by students and alumni while playing at Oak Park field. They had two games this week, one played yesterday at Chico State and the second to be played against the USF Dons; both games are away.

At present Jim Reynosa leads the team in batting with a .364 percentage in twenty-two times at bat, closely followed by Don Bossert and Gutterez with a .360. Del Whittier with two wins and two losses, and Wayne Segale with one and one topped the pitching staff. Come out and watch your team; let's keep this winning streak going.

Track Team Wins 76-55

Last Saturday afternoon in Baxter Stadium the College of the Pacific Track Team outscored the powerful San Francisco State cindermen, who were picked to win the Far Western Conference, 76 to 55.

George Lane was high point man of the meet, scoring 20 points. He picked up two first places in the shot put and broad jump, a tie for first in the high jump with Dave Davis, and two seconds in the discus and javelin. Lane set a new meet record in the shot put, tossing the iron ball 49 feet 8 inches.

Jack Marden added 13 points for the Tigers with a first in the half mile and mile, and a second in the 2 mile. He also broke a meet record in the four lapper, with the time of 4:29.6.

Other first place winners were Tom Perry in the high and low hurdles with times of 15.8 and 24.9 respectively, both tying meet records and Stan Daniels who received a first in the discus with an 135 foot effort.

Next Saturday the Bengal trackmen journey to Davis to take on Cal Aggies. Coach Riche-sin is expecting an easy win and feels sure that a couple of meet records will fall by the wayside.

SWIMMERS WIN GREENE SETS RECORD

The College of The Pacific's swimming team won 7 of 10 first places in topping the Oakland Y.M.C.A. in the Pacific Pool Saturday morning, 45-39. It was the first win this season after two defeats.

In winning this meet, the Tigers set 1 school record and 4 new meet records. Chris Greene, in splashing the 200-yard breast stroke in 2:38.7, bettered the school mark of 2:42.9 set by Jon Stebbins three years ago, as well as the meet mark of 2:51.

The COP medley team of Bob Gaughran, Chris Greene, and Roger Moreau did 3:01.4, bettering the old mark of 3:04.6. Moreau won the 100 in 55.8, topping the old record of 56.8, and the relay team of Bob Taylor, Bob Hardman, Moreau, and Gaughran won in 3:55.5.

Tomorrow, the Bengal swimmers will play host to the UCLA Bruins at 11:00 a.m. in the Tiger pool. Even though the Bruins have won their last nine meets, Coach Kjeldsen has hopes that the Bengals will repeat last year's performance. The Tigers won over the Bruins last season by a score of 58-26.

The key man for the UCLA Bruins this season is Rosenthal who has been outstanding in the sprints.

The high scorer for the Tigers this season is Roger Moreau with 17 points in 3 meets, followed by Ron Smith with 13 points, Bob Hardman with 12 points, and Chris Greene and Bob Taylor with 11 points each.

The summary of the COP-Oakland YMCA meet:

Intramural basketball is entering its final round. It looks as if North Hall and Rhizomia will play for the championship. As of now North Hall No. 1 has won their league and Rhizomia holds a one-game lead on North Hall No. 2. The championship will be played on Thursday, March 20. The high scorers for North Hall No. 1 are Farrell Funston and George Lane. Plans are being made to pick an all-star team to play against the intramural teams of other coast colleges.

VOLLEYBALL

The volleyball tournament is just beginning. There are five teams entered in this tournament. They are: Quonsets, AKL, Rhizomia, Omega Phi and Archania. Omega Phi and Archania seem to be the two strongest teams. Some of the boys taking part in the tournament are: Joe Sisson, Jim Choate, Bob Nicholls, Sid Smith, Bob Roth, George Lane and Joe Nichols.

TRACK

The intramural track championship was won by the quonsets. Dick Bass paced the Quonsets by winning the hundred yard dash, 220 yard dash and the broadjump. He set new records in the 100 yard dash and the 220 yard dash. His times were 9.6 for the 100 and 21.6 for the 220.

JOHN THOMAS

John Thomas, who was picked on the All California Basketball Association Team and also on many sportswriters All-Coast team, has proven to be one of the College of the Pacific's all-time great basketball players.

CAMPUS CANDIDS

The girls of West Hall are wondering who the male was who ran through the hall. Could it possibly have been J. M.? . . . Joe Sisson has apparently learned a new way to earn money; practice is held in front of the dining hall—how about it, Joe? . . . Many absences on these hot afternoons, and then the next day people return with red faces, not from embarrassment either. "Malibu must be

getting crowded" . . . "You're as old as you feel," is a popular saying. Some freshman, including me, are still "Young at heart" and enjoy wading in COP's inundated lawns . . . Cutest smile on campus belongs to freshman Chris Diller; check and see if you don't agree . . . Wha' happened last Friday night in the vicinity of the gym? Lots of noise, laughter and splashing! . . . The girls of South Hall have some mysterious scratches. Could they have possibly come from climbing barbed wire fences? . . . Question of the week among campus coeds, "how come the new light behind Rhizomia; wonder how long it will stay?" . . . "Peck's Bad Boy" was at it again; this time he poured gasoline on a bush in back of Omega

SENIORS

ATTENTION, SENIORS:

There will be an important senior class meeting held on Thursday, April 5 at 11 a.m., upstairs in Anderson Y.

Phi last Thursday . . . A new record of gossiping has hit one of the living groups on campus; South Hall now has monitors in the halls to keep the racket down to a dull roar.

PEARLS OF WISDOM

One of the professors at Pacific was giving his class a quiz. "What," he asked, "is the most outstanding result of chemistry in the last thousand years?" A freshman student answered, "Blondes."

One of the fraternities on campus has quite a long list of famous members. This list includes such nationally famous men as Stokowski, Brubeck, Mitroplouos, etc.

Its local membership not only includes every male member of the conservatory faculty — including Dean Bodley — but Dr. Burns, Mr. Ramsey of the radio department, and Mr. Dennis of the Stockton College drama department.

This fraternity is Phi Mu Alpha, national professional musicians' fraternity.

Not an inactive honorary group, Phi Mu has regularly scheduled functions in keeping with its purposes, which are:

1. To advance the cause of music in America.
2. To foster the mutual welfare and brotherhood of students of music.
3. To develop the truest fraternal spirit among its members.
4. To encourage loyalty to the alma mater.

Its first purpose is particularly interesting for "to advance the cause of music in America," has been interpreted in two ways: to advance any music in American; and, to advance music of American composers.

In keeping with both interpretations, Beta Pi, the COP chapter of Phi Mu, puts on two concerts every year. The fall concert has no program restriction; but the spring concert is composed solely of music written by Americans.

Our faculty here has had several famous composers; among them are Howard Hanson, J. Russel Bodley, and Ellis Kohs. This year another has been added, Stan Beckler.

Phi Mu is quite an extensive organization. Founded in New England in 1898, it now has around 140 chapters at colleges throughout the nation.

In keeping with all four ideals, Phi Mu's spring concert will be an all-Beckler concert. It will premiere several new works, and also include some of his more popular works, thus promising genuine listening pleasure and fun. The date will be announced soon.
